

Sweet Gingerbread Man

Sarah Vaughan

Feel like I'm made out of gingerbread
Ah ha, ah ha
Crumb's pickin' lip lickin' gingerbread
Ah ha, ah ha

Can't think about rainy weather now
I've finally got myself together now
Fresh out of the pan, sweet gingerbread man
Fresh out of the pan, sweet gingerbread man

Twirlin' a cane made of peppermint
Oh oh, ah ha
Nice sticky hands, sticky peppermint
Ah ha, ah ha

Spun sugary cloud I'm floatin' on
Sun's spreadin' my suit of sugar coatin' on
All tasty and tan, sweet gingerbread man
Fresh out of the pan, sweet gingerbread man

I've got a feelin' wouldn't trade for anything
For all the peas
For all the greens
For all the world, oh oh oh

Feel like I'm made out of peppermint
Ah ha, ah ha
Crumb's pickin' lip lickin' gingerbread
Ah ha, ah ha

Can't think about rainy weather now
I've finally got myself together now
All tasty and tan, sweet gingerbread man
Fresh out of the pan, sweet gingerbread man
Fresh out of the pan, sweet gingerbread man
Fresh out of the pan, sweet gingerbread man
