

## The Lady's in Love with You

Sarah Vaughan

If there's a gleam in her eye  
Each time she straightens your tie  
You know the lady's in love with you

If she can dress for a date  
Without that winking, you hate  
It means the lady's in love with you

And when your friends  
Ask you over to join their table  
But she picks that far away booth for two

Well, sir here's just how it stands  
You got romance on your hands  
Because the lady's in love with you

And when your friends  
Ask you over to join their table  
But she picks that far away booth for two

Well, sir here's just how it stands  
You got romance on your hands  
Because the lady's in love, the lady's in love  
The lady's in love with you
