

Wave

Sarah Vaughan

So close your eyes
For that's a lovely way to be
Aware of things your heart alone was meant to see
The fundamental loneliness goes
Whenever two can dream a dream together

You can't deny
Don 't try to fight the rising sea
Don't fight the moon, the stars above and don't fight me
The fundamental loneliness goes
Whenever two can dream a dream together

When I saw you first the time was half past three
When your lips met mine it was eternity

For now we know
The wave is on its way to be
Don't fight the wave, don't be afraid of loving me
The fundamental loneliness goes
Whenever two can dream a dream together

So close your eyes
For that's a lovely way to be
Aware of things your heart alone was meant to see
The fundamental loneliness goes
Whenever two can dream a dream together

You can't deny
Don 't try to fight the rising sea
Don't fight the moon, the stars above and don't fight me
The fundamental loneliness goes
Whenever two can dream a dream together

When I saw you first the time was half past three
When your lips met mine it was eternity

For now we know
The wave is on its way to be
Don't don't fight me, don't don't fight me and don't fight me
The fundamental loneliness goes
Whenever two can dream a dream together
