

What A Difference A Day Makes

Sarah Vaughan

What a difference a day makes
Twenty-four little hours
Brought the sun and the flowers
Where there used to be rain

My yesterday was blue, dear
Today I'm part of you, dear
My lonely nights are through, dear
Since you said you were mine

What a difference a day makes
There's a rainbow before me
Skies above won't be stormy
Since that moment of bliss
That thrilling kiss

It's heaven when you
Find romance on your menu
What a difference a day made
And the difference is you
