

What's Good About Goodbye?

Sarah Vaughan

What's good about goodbye?
What's fair about farewell?
You know a broken heart
Can come from such a broken spell

Your love could bring eternal spring
Your kiss could be a magic thing
Your smile could be a shining light
Burning from day to day
More lovely from night to night

But if you should go away
Our dream would go astray
Our song would be a sigh
Say you're mine forever
Say you're mine but never say goodbye

We're in love, you and I
Darling, don't say goodbye
