

# I Know

Sarkodie

What else?  
Ahn Reeky Baby o  
It's MOG baby

Oh nananana  
What you heard about brother brother?  
What else  
Obidiponbidi  
Them talk nyama nyama  
Them wan scatter this loving matter  
Them say I waka waka  
Follow Ruth and her sister Abena  
(You know what time it is)  
Oh baby I know say  
You know say, I love you  
No be them say

I know o (I know oo)  
How e dey do you I know  
The way you love me I know  
Say you don't need to inform me  
I know o  
How e dey do you I know  
The way you love me I know  
Say you don't need to inform me  
This be the song for all the lovers  
Who is tryna make it in life  
Moa moshe ghetto you sacrificing your night  
At the end of the tunnel, there will be light  
Nothing dey come easy, baby we for fight  
I dey dream  
How I go fit make my Joley proud  
Se nia mendwum be hitti na me movie crowd  
Make you no stop cos maybe your time is now  
Don't you let anybody push you down odo

All the passion and the determination  
Effort aa wodi she edwuma ni mu ni wo dedication  
Waye wafemu die you just waiting for confirmation  
Afissee na yee paapy moet for celebration

Yen Nya no pre ko pe my baby we for sacrifice  
Keep up the hustle  
Make we dey push till we satisfied  
Baby you ain't got to worry over nothing  
I swear say e go happen  
You don't need to prove to me how you love me  
Cos baby girl

I know o (I know oo)  
How e dey do you I know  
The way you love me I know  
Say you don't need to inform me  
I know o  
How e dey do you I know  
The way you love me I know  
Say you don't need to inform me

It's not a joke  
Hard to make it from the underground  
Mummy no get money, Poppy too is not around  
It's not a joke  
Yeni sika kraa yedi ko town  
Yaa nanti saa yeni koswia no aye brown

E no be joke  
I know say you no like the way it sounds but  
Ntse kraa wedding bells going down  
So you for cope  
Ene na yen nya die yebedi o Nanso  
Debidebi ye yen aa na ye charge pounds  
So u really really need t tell me baby
