

## Interlude - Highest, Pt. 2

Sarkodie

There will be some that will try to deny him as saviour  
Sell him out for 30 pieces of silver  
These false prophets with no profit  
Still too broke to even pay homage...

They will question the authenticity of his occupation  
Throw dirt on his name in conversations  
Buh in the end  
His music  
This misic  
Will be the gospel for the congregation
