

# Married To The Game

Sarkodie

Uh yeah

Nigga I been trapping on the daily  
They don't wanna see me but I'm rapping till I'm 80  
Verses a ma droppi got you people acting shady  
Sen a track no ti ewo se me feature DaBaby  
Bibia nye me hu I knew you niggas gon' sellout  
Se wo wo me'nkyen na wo nye real a get the hell out  
Got a lot of matters in my heart I gotta let out  
Real niggas kakra bi na deserve me shoutout, yeah  
They don't wanna give what I deserve  
After nea maye nyinaa you people got the nerve  
Mo fi se me falli dier you smoking on some herb  
Niggas wanna crash but I'm swerving on the curve, scrr  
Used to preach about the fuckin' unity but nkola no disrespecti me with impu  
nity  
Wan' na skyere mo kwan no, wan na ema mo the opportunity  
Rap no ye charity, give it back to community, yeah uh

Don't you let nobody put the pressure on you  
Cause they always gonna criticize what you gon' do  
They don't even really know your name, but they dey feel like you be the sam  
e  
Married to the game, me I no dey do this for the fame  
Me I only do this for the change goddamit  
Don't you let nobody put the pressure on you  
Cause they always gonna criticize what you gon' do  
They don't even really know your name, but they dey feel like you be the sam  
e  
Married to the game, me I no dey do this for the fame  
Me I only do this for the change goddamit

Ekse, nigga I be rappin' on the daily  
King Sark said that he gon' rap until he's 80  
I'ma rap until my fuckin' baby got a baby  
Then I'll think about quittin', stop killin' y'all maybe, crazy  
That nigga gon' post about his granddad  
'Cause I came in the game like a sandbag  
You can't touch this no matter where your hands at  
A true artist, wa bone kea ba pensela  
Nigga over here we go hard  
If you goin' home then you leavin' here scarred  
Show up at your home in like 44 cars  
Break a few bones, ore tshwere [?], true story  
Ain't nobody does it like me, dirty motherfucker in a solid white T  
Saw it then I did it, it was all in my dreams  
Got it on lock like I'm COVID 19 since ole lyti  
Entlek lothle laekitsi  
Every song a movie, you can go sightseein'  
I don't understand why you niggas fightin'

Don't you let nobody put the pressure on you  
Cause they always gonna criticize what you gon' do, yeah  
They don't even really know your name, but they dey feel like you be the sam  
e  
Married to the game, me I no dey do this for the fame  
Me I only do this for the change goddamit  
Don't you let nobody put the pressure on you

Cause they always gonna criticize what you gon' do, yeah  
They don't even really know your name, but they dey feel like you be the same  
Married to the game, me I no dey do this for the fame  
Me I only do this for the change goddamit

Shit I want some real hip hop shit I wanna pop Marley  
Nea me ka na boys de be tie me ye rap Bob Marley  
After all the BS ye da so tiasie a, we gon' party  
Nigga se wo ben me dis a, you gotta keep it real like Cardi  
Where the money at? Sika no akye m'akoma like cardiac  
Chale, ene anadwo yi where the party at  
Mo a m'ate te mo akuma nyinaa I ain't sorry yet  
Nigga I'm a mu'fuckin' problem  
And I know you niggas can't solve 'em  
Looking for a nigga who go face me? Fuck that  
Be like people looking for a dragon  
If you ever put me on your album, I ain't gotta talk man you already know the outcome  
Wan na s'bringi fire no ma nnipa feeli ma bo bo mu kase the nigga awesome  
Man I'm on some real hip hop shit  
Obia nye me level what we talk about is rap shit  
If you ever looking for the best emcee, wo dis posti me picture with no caption ha!

Don't you let nobody put the pressure on you  
Cause they always gonna criticize what you gon' do, yeah  
They don't even really know your name, but they dey feel like you be the same  
Married to the game, me I no dey do this for the fame  
Me I only do this for the change goddamit  
Don't you let nobody put the pressure on you uh  
Cause they always gonna criticize what you gon' do, yeah  
They don't even really know your name, but they dey feel like you be the same  
Married to the game, me I no dey do this for the fame  
Me I only do this for the change goddamit
