

# Vibration

Sarkodie

Everyday bless says my vibration ey  
Smell like when she like my fragrance  
Big chain big man, big vibration  
Cause we made it that's a celebration

Aarhn! M'ahy3 da na mama mo low gab  
Did it on purpose  
Anthing I hear myself rap I get a little nervous  
Omo diss na omo dey hate back  
So they can sell records  
No matter what you do I'm still Sark  
Oowh I'm so reckless  
Tema boy a mede rap no ak Vegas  
3hefa na mode mo nnwom ak duru come tell us  
Chale me I'm always at the top memp3 last  
3y3 mes3 moaf3 ne me mo nk checki intervals  
Mo tw3n me s3 m3 loose nigga I was born a winner  
Mo firi s3 m'awie I'm warming up the dinner  
I'll be going hard like I'm a fucking beginner  
Ohemaa forgetti boy no hop in the bimmer, let's go  
Nigga don't kill my vibe  
Omo firise pressure b3ma nnipa a coile  
Nigga we still outside  
Everybody wanna see the nigga go down  
But you ain't gonna touch my pride  
Nas3 3ba no rap a nobody be like me  
I'll be killing dem till I die  
Illest nigga relax say they wan stop me  
I doubt the take a little break  
Then I bounce back 3ba no Ghana rapper  
I'm a fckn out desk for the ten years  
I was only doing sound check  
I put my heart in this and nigga be doing the worst  
Omo se m'akye but who be putting in the work  
Life too short Goddamn it  
Y3se Drake space de maa Lil Durk, haa

Oooh! Everyday bless says my vibration ey  
I can't waste my time with waste men  
Thumb full in war smell lie web shid  
Like my fragrance porshe cayene  
Pull it up pull it up with vibrations  
Shake the block big chain big man, big vibration  
Pop up everyday like in vacation  
Cus we made it that's a celebration

It's going down ey  
Seen about a little jam beside  
Yo table I'm passing around ey  
This is a head I got Sarkodie back on a mount  
I use to ride on un bursted  
I got a passengers looking at me now  
I feel like the man When I'm in Accra  
We dey run up the town  
Also assigned in hollow, it's cracking in Nima  
What's bargaining I might pull up in bby my wid all  
Lots of stakes who thinks I was capping

Me and M dot and M dot days we speeding  
We mashing yeah  
I'm giving payed everyday daily paper my passion  
International calls to all of my dawgs  
I'ts locked through New York  
They behind bars living through my bars  
They just wanna see me shine I'm a star  
I got brothers they wanna see me a dead man  
I feel like mufasa and Scar  
You look like you ain't be getting no bread man  
You niggas been counting your cards  
I have been ignoring but I had a star  
Money vanished like a summer rush  
I was down bad damn it in front  
Selling pounds and cracking em cards  
Polo Beach club we in a VIP  
Shout outs to smallgod, yo we lit  
Joey Lin from Chicago to the Zongo  
Chale come meet up with jour vague

Oooh! Everyday bless says my vibration ey  
I can't waste my time with waste men  
Thumb full in war smell lie web shid  
Like my fragrance porshe cayene  
Pull it up pull it up with vibrations  
Shake the block bitch chain big man, big vibration  
Pop up everyday like in vacation  
Cus we made it that's a celebration
