

# Stop Pushin'

Sash!

Stop Pushing me around

You don't know what you're doing to me  
Start thinking for a while  
I said I don't need this pressure from you  
don't say what's on your mind

Cause I can read it from your eyes  
cause I can read it from your eyes  
cause I can read it  
I can read it  
I can read it from your eyes

Stop pushing me around  
Stop pushing me around  
Stop pushing me around  
Stop pushing me around ...don't do it

Stop pushing me around  
Stop pushing me around  
Stop pushing me around  
Stop pushing me around ...don't do it

You can keep your good advices  
I know that I'm the one who's right  
I love the way I live my life now  
So, don't say what's on your mind

Cause I can read it from your eyes  
cause I can read it from your eyes  
I can read it  
I can read it  
I can read it from your eyes

Stop pushing me around  
Stop pushing me around  
Stop pushing me around  
Stop pushing me around
