

# Faking It

Sasha Sloan

(I'm way too good at)  
Saying I love you like I believe it  
(I'm way too good at)  
Staying up all night, keeping a secret  
(I'm way too good at)  
Turning my phone off whenever you call me  
Only say that I want you  
'Cause it's what I'm used to

(I know, I know) I should leave  
(Should I let go?) But I can't  
It's like I'm standing at the bottom of a hole  
With the shovel in my hand

I'm way too good at faking it  
I'm way too good at making it look like  
I don't want nobody else  
I even started fooling myself  
I'm way too good at

Being a zombie when we're in the bedroom  
(I'm way too good at)  
Doing the things I don't really want to

(I know, I know) I should leave  
(Should I let go?) But I can't  
It's like I'm standing at the bottom of a hole  
With the shovel in my hand

I'm just way too good at faking it  
I'm way too good at making it look like  
I don't want nobody else  
I even started fooling myself  
I'm way too good at faking it  
I'm way too good at making it look like  
I don't want nobody else  
I even started fooling myself  
'Cause I'm way too good at faking it

I'm way too good at making it look like I love you  
Making it look like I want to  
Be here when I'm already gone  
I should've told you all along  
But you're not the one  
Babe, I'm already done

I'm just way too good at faking it  
I'm way too good at making it look like  
I don't want nobody else  
I even started fooling myself  
I'm way too good at faking it  
I'm way too good at making it look like  
I don't want nobody else  
I even started fooling myself  
'Cause I'm way too good at faking it  
I'm way too good at making it look like  
I don't want nobody else

I even started fooling myself  
'Cause I'm way too good at faking it

I'm way too good at
