Version of Me

Sasha Sloan

Can you love, can you love, can you love the version of me?
I don't let, I don't let, I don't let anybody else see
When I choke, when I choke, when I choke would you try and help me breathe?
Can you love, can you love, can you love the version of me?

That isn't happy all the time
I get outta my head, get outta my mind
Can't get outta bed sometimes
And when I look at myself as if I might cry
'Cause I got some trauma
Some family drama
Just thought I'd warn you

You have a hard time making sense of this
I'm the most low-key masochist
The wrong place if you're looking for heaven
So I got one question

Can you love, can you love, can you love the version of me?
I don't let, I don't let, I don't let anybody else see
When I choke, when I choke, when I choke would you try and help me breathe?
Can you love, can you love, can you love the version of me?

That's gonna wanna stay the night
I get outta my head, get outta my mind
Can't be on my own sometimes
I don't even need bait, and I'll probably bite
'Cause I got some trauma
Some family drama
Just thought I'd warn you

You have a hard time making sense of this
I'm the most low-key masochist
The wrong place if you're looking for heaven
So I got one question

Can you love, can you love, can you love the version of me?
I don't let, I don't let, I don't let anybody else see
When I choke, when I choke, when I choke would you try and help me breathe?
Can you love, can you love, can you love the version of me?
(That isn't happy all the time)
(That's gonna wanna stay the night)

Maybe it's just something in my brain (in my brain)
Maybe it's the way that I was raised (oh)
I wouldn't blame you if you tried to walk away
But I want you to stay
Yeah, I want you to stay
I just got one question

Can you love, can you love, can you love the version of me?
I don't let, I don't let, I don't let anybody else see
(I just got one question)
When I choke, when I choke, when I choke would you try and help me breathe?
Can you love, can you love, can you love the version of me?

Can you love, can you love

```
Can you love the version of me
I don't let, I don't let
I don't let anybody else see?
```

```
Can you love the version of me
I don't let, I don't let
I don't let anybody else see?
```
