

Matter of Time

Sass Jordan

People get ready
It's time for the morning
Birds start their singing
Let's sing along

Out of the darkness
And into the sunshine
We are the reason there's sunshine today

If I could take you
Into a new world
Would you be happy
Would you come alone

Light in the shadows
Chasing the moonbeams
Out of the nighttime
And into the light

Oh
There's always a way
Oh
There's always a new way to fly
So high
It's just a matter of time

Out of the dark dream
Into the morning
Birds start their singing
Let's sing along
Out of the darkness
And into the sunshine
We are the reason there's sunshine today

Oh
There's always a way
Oh
There's always a new way to fly
So high
It's just a matter of time

Oh
There's always a way
Oh
There's always a new way
Oh
There's always a new way to fly
So high
It's just a matter of time

Everybody now
It's just a matter
It's just a matter
It's just a matter
A matter of time

It's just a matter

It's just a matter
It's just a matter

A matter of time
Louder

It's just a matter
It's just a matter
It's just a matter
A matter of time

It's just a matter
It's just a matter
It's just a matter
A matter of time

It's just a matter
It's just a matter
It's just a matter
A matter of time

It's just a matter
It's just a matter
It's just a matter
A matter of time

It's just a matter
It's just a matter
It's just a matter
A matter of time

It's just a matter
It's just a matter
It's just a matter
A matter of time

It's just a matter
It's just a matter
It's just a matter
A matter of time

It's just a matter
It's just a matter
It's just a matter
A matter of time

It's just a matter
It's just a matter
It's just a matter
A matter of time

It's just a matter
It's just a matter
It's just a matter
A matter of time

It's just a matter
It's just a matter
It's just a matter
A matter of time

It's just a matter
It's just a matter

It's just a matter
A matter of time
