

Ol' 55

Sass Jordan

Well, my time went so quickly, I went lickety-splitly
Out to my ol' 55
As I pulled away slowly, feeling so holy
God knows I was feeling alive
And now the sun's coming up
Riding with lady luck
Freeway, cars and trucks
Stars beginning to fade
As I leave the parade
Just a wishing I'd stayed a little longer
Lord, don't you know now, feeling getting stronger?
6 in the morning, gave me no warning
I have to be on my way
Now the cars, they're all passing me, trucks are all flashing m
e
I'm headed home from your place
And now the sun's coming up
I'm riding with lady luck
Freeway, cars and trucks
Stars beginning to fade
And I leave the parade
Just a wishing I'd stayed a little longer
Lord, don't you know now, feeling getting stronger, yeah?
Yeah, and now the sun's coming up
I'm riding with lady luck
Freeway, cars and trucks
I'm riding with lady luck
Oh yeah, the sun's coming up
I'm riding with lady luck
Freeway, cars and trucks
I'm riding with lady luck
And now the sun's coming up
The sun's coming up
The sun's coming up
