Torn In Two

Sass Jordan

What you got – ain't so fine
What you are – ain't so cool
So why do you stay on my mind
Why do I even mess with you ?

I wanna stay – I wanna stay away
I'm torn, I'm torn, I'm torn in two
It's so wrong – but it's so strong
I'm torn, I'm torn, I'm torn in two

Should I do what I know I shouldn't
Or show myself some self-respect

My heart is racing against temptation
Oh they're running neck and neck

My body says – I got to have you
My mind says – he's no good for you
My heart's divided – it's undecided
All of me is all confused

Oh baby, you're driving me crazy
I'm torn I'm torn I'm torn in two
