

Alive

Satin Jackets

I've been waiting for it
The heartbreak
Oh, you and I
Treat me how you like
Oh, now I'm alive

Feel the way
You're everywhere
Feel the way
You're everywhere

I'm alive
Oh now, I'm alive
I'm alive
Oh now, I'm alive

Feel this
The heartbreak
Oh, you and I
Running undercover
For you, for you
Oh now, I'm alive

Feel the way
You're everywhere
Feel the way
You're everywhere

I'm alive
Oh now, I'm alive
I'm alive
Oh now, I'm alive

I'm alive
Oh now, I'm alive
I'm alive
Oh now, I'm alive
I'm alive
Oh now, I'm alive
I'm alive
Oh now, I'm alive...
