

# Control

## Satin Jackets

The crashing feeling of the come down  
Wakes me up from my dream now  
The building up, never let down  
Comes with no warning  
Where someone told me

It's so coming back to me  
Pull me from reality  
Is this how it's supposed to be  
Could it go differently  
Oh

It's out of our control  
It's out of our control  
It's out of our control  
It's out of our control

The back and forth but going nowhere  
We try and try but just can't get there  
You call it love, I call it unfair  
You gave no warning  
You could've told me

It's so coming back to me  
Pull me from reality  
Is this how it's supposed to be  
Could it go differently  
Oh  
Could it go differently

It's out of our control  
It's out of our control  
It's out of our control  
It's out of our control
