

I'm With It

Satin Jackets

Every time I go I feel so low
Everything I do just seems so wrong
Is there a way to come back home
Is this the way we thought we'd go

I can see the best in me and you
Even though we struggle I see truth
It doesn't need to be this hard
Not gonna let us grow apart

I know I'm with it
I know I'm with it
There is no world without you in it
I'm not afraid to just admit it
I know I'm with it

It doesn't need to be this way
We're gonna make it all ok

I know I'm with it
I know I'm with it
There is no world without you in it
I'm not afraid to just admit it
I know I'm with it

Cause I know I'm with it

It doesn't need to be this way
We're gonna make it all ok

I know I'm with it

Woah
Woah
Woah

Colours in my mind are shapeless hues
Trying to paint my way out of these blues
I just can't do this on my own
I know that you've seen how much we've grown

I can see the best in me and you
When the lights go out we shine so true
Best things in life are always hard
I won't let ego hurt our love

Cause I know I'm with it
I know I'm with it
There is no world without you in it
I'm not afraid to just admit it
I know I'm with it

Cause
I know I'm with it

It doesn't need to be this way
We're gonna make it all ok

I know I'm with it

Woah

Woah
