

# Know Me

Satin Jackets

Under the lights I feel like  
I'm afraid to see  
All that's been buried inside  
Deep within me

You think you know me  
Do you  
But you don't know me  
Don't you

What you did to me  
You did to me  
You did to me  
What you've done with me  
You're done to me  
You're done to me  
What you done to  
What you done to me  
What you done to

Spinning my head don't feel like  
I'm breaking free  
Playing with all my cards out  
Won't change a thing

You think you know me  
Do you  
But you don't know me  
Don't you

What you did to me  
You did to me  
You did to me  
What you've done with me  
You're done to me  
You're done to me  
What you done to  
What you done to me  
What you done to  
(What you did)

You think you know me  
Do you  
But you don't know me  
Don't you

What you did to me  
You did to me  
You did to me  
What you've done with me  
You're done to me  
You're done to me  
What you done to  
What you done to me  
What you done to
