Last Dance

Last Dance
My heart beats
Last Dance
My heart beats

My heart beats
My heart beats on the rhythm
Your cold feet
Just in time
Meet me in the middle
In the middle of the night
Last dance
Lights

Hit the light
Break it down
Break it down baby
Rewind
Rewind the time
Shut the lights
Be mine
Be all mine
For a last dance
Yeah

My heart beats
Last Dance
My heart beats

My heart beats
Last Dance
My heart beats

Last Dance
Last Dance

My heart beats
My heart beats on the rhythm
Your cold feet
Just in time
Meet me in the middle
In the middle of the night
Last dance
Lights

Hit the light
Break it down
Break it down baby
Rewind
Rewind the time
Shut the lights

Be mine
