

Relapse

Satin Jackets

Waking up to a feeling, the best we had
If it looks like we mean it don't take it back
Is it better to ignore it or better when we relapse?
'Cause I'm lost in the beating, don't move too fast
If it looks like I'm leading, I'll roll it back
Is it better to ignore it or better when we relapse?

Oh-oh, oh-oh-oh
Oh-oh, oh-oh-oh
Oh-oh, oh-oh-oh
Oh-oh, oh-oh-oh

Giving up to the demons but it won't last
If it looks like I'm bleeding, I'll take the chance
Is it better to ignore it or better when we relapse?
I'm lost in the weekends just take my hand
'Cause I can't help but feed it, can't stop this dance
Is it better to ignore it or better when we relapse?

When we started, didn't I take control?
When you slowed it down, didn't I even notice

That we could handle the quiet, you could handle the cold
We never let it be something over letting things go, but
It's still in my memory, didn't we have some hope?

Oh-oh, oh-oh-oh
Oh-oh, oh-oh-oh
Oh-oh, oh-oh-oh
Oh-oh, oh-oh-oh

We don't need a reason to fall in
I don't need a reason to lose myself
We don't need a reason for calling up
Better feeling something than leaving nothing
We don't need a reason to fall in
I don't need a reason to lose myself
We don't need a reason for calling up
Better feeling something than leaving nothing
