

So I Heard

Satin Jackets

So I heard
So I heard
So I heard
So I heard

So I heard
So I heard
So I heard
So I heard

So I heard you have another one
Well, that's okay, I guess it must be fun
So I heard you have another one
Whatever the signs, I'll make it worse

How ooh, how ooh are
How ooh, how ooh are
We walked different paces
I was between the pages
How ooh, how ooh are
How ooh, how ooh are
We walk different paces
I was between the pages

So I heard you have another one
Well, that's okay, I guess it must be fun

So I heard
So I heard
So I heard
So I heard

So I heard
So I heard
So I heard
So I heard

So I heard you have another one
Whatever the signs, I'll make it worse

How ooh, how ooh are
How ooh, how ooh are
We walked different paces
I was between the pages
How ooh, how ooh are
How ooh, how ooh are
We walked different paces
I was between the pages
