

Think About It

Satin Jackets

I want to give you my love
Come hear me out
But enough is enough
Don't let me down, oh

Can we give it a try
Just need a chance
I want to show you my love
Won't let you down
No, down, down, down, down

I don't want to think about it
Don't think I can think about it
I know, you don't talk about it
You just keep on wasting my mind

Want to talk about it
Somehow I just think about it
Come on, can we talk about this
I can't get you out of my mind

Mind, mind, mind, mind
Mind, mind, mind, mind
I can't get you out of mind

I want to be in your life
That's just a dream
Can we give it a try
In my fantasy

I can't let go
I can't let go of you now
Just make it stop
Just make it stop somehow

I don't want to think about it
Don't think I can think about it
I know, you don't talk about it
You just keep on wasting my mind

Want to talk about it
Somehow I just think about it
Come on, can we talk about this

I don't want to think about it
Don't think I can think about it
I know, you don't talk about it
You just keep on wasting my mind

Want to talk about it
Somehow I just think about it
Come on, can we talk about it
I can't get you out of my mind

Mind, mind, mind, mind
Mind, mind, mind, mind
I can't get you out of my mind
