Still sauced up and splashed out

Lookin like a pimp when I walk in the building

Diamonds on my pinky

Yo bitch all on my twinkie

But her breathe to stinky

Yeah yo bitch got straight rejected

Yeah she got blocked like Tetris

Looking like bitch you guessed it

With that fake ass chain

Boy ya neck gon change

To a dirty colored grain

Guess you gotta fake it till you make it

Video thug ass nigga

Moving fast like ricky bobby

But you been sniffing on that Whitney Bobby

I jus rock diamonds that shine like the sunnnnn

Looking like a pimp when I walk in the building

Diamonds on my pinky

Yo bitch all on my twinkie

But her breathe to stinky

Yeah yo bitch got straight rejected

Yeah she got blocked like Tetris

Boi why you got on that necklace

Looking like bitch you guessed it
