(Chamberlain, he's got it)

Ooh-wee

Fuckin' on a bitch at her baby daddy house (Ayy)

She done left her son on her baby daddy couch (Ayy)

Icebox bracelets on me freezin' me, nigga, ouch

Dropped three pints of Wock', that's a down payment on a house

Run down on your wife in all leather

Lookin' for a fine-ass cougar, them old bitches pay better

Carats all over my fingers the same size as Mayweather's

And I'm gon' fuck your best friend if we can't hit her together

I don't wanna Netflix, I don't wanna cuddle

Bitch, I ain't your bestie, I ain't your friend, I ain't your brother

I just wanna fuck you, I just wanna fuck you

If we ain't gettin' money, after that, then I won't touch you

I don't wanna Netflix, I don't wanna cuddle

Bitch, I ain't your bestie, I ain't your friend, I ain't your brother

I just wanna fuck you, I just wanna fuck you

If we ain't gettin' money, after that, then I won't touch you

What's up with that shit you been poppin'?

See me pull up in that Rolls with convertible options

In Miami, Ocean Drive with two thick bitches poppin'

Lace front sweatin' out, but that booty was whoppin'

Catch me slidin' with a stripper and that grrah-

grrah in the car

Try me at a gas station and I'ma send you to the stars

Rifles in my bitch name, I got her buyin' me ARs

She pay for some pimp game before I hit her with that rod

I don't wanna Netflix, I don't wanna cuddle

Bitch, I ain't your bestie, I ain't your friend, I ain't your brother

I just wanna fuck you, I just wanna fuck you

If we ain't gettin' money, after that, then I won't touch you

I don't wanna Netflix, I don't wanna cuddle

Bitch, I ain't your bestie, I ain't your friend, I ain't your brother

I just wanna fuck you, I just wanna fuck you

If we ain't gettin' money, after that, then I won't touch you
