

Serve

Sauce Walka

I had to serve the bitch
See I couldn't serve a zip
See I couldn't serve a brick
So I had to learn the bitch
I had to earn the bitch
I had to serve her
I had to serve her
I had to serve the bitch
I had to serve her
I had to serve the bitch
Bout to make the bitch a million dollars
I had to return it, I am the server

I had to serve the bitch, I had to learn the bitch
All you wanted was to fuck and just curb the bitch
See to me that ain't make no sense
I know this bitch is a lick
I know this bitch is worth more than a brick
I know that this girl is legal as shit
I know that this bitch can go and buy a brick
So what is the purpose?
You at the trap you nervous
You meeting the plug you nervous
You know that them jackers is lurking
You know that the feds is working
You saving all that money just for your re-up
I'm saving just to get my jewels and fee up
My whole closet is the Galleria
Del Frisco's eating steak fajitas

I had to serve the bitch
See I couldn't serve a zip
See I couldn't serve a brick
So I had to learn the bitch
I had to earn the bitch
I had to serve her
I had to serve her
I had to serve the bitch
I had to serve her
I had to serve the bitch
Bout to make the bitch a million dollars
I had to return it, I am the server

Serve, little baby tell me word
Let me teach you how to earn
Just give me one turn
Bae, let me take you where to play
Where these men wanna pay
Just for talking in the face
Pimpin' is easy money
But it's strategic money

You gotta believe you something
Before you achieve you something
And then you gon' see them hunnids
Every girl got heels and bags
You can be young with 100 grand
Get your mind right girl and stack the cash
Girl you better get your Play-Doh
Everybody ain't able
Tip her hundreds on the table
Some bitches ain't got cable
Worried bout Love and Hip Hop
You need to worry about when your weave drop
My bitch worried about her big drop
All my saucy bitches on top

I had to serve the bitch
See I couldn't serve a zip
See I couldn't serve a brick
So I had to learn the bitch
I had to earn the bitch
I had to serve her
I had to serve her
I had to serve the bitch
I had to serve her
I had to serve the bitch
Bout to make the bitch a million dollars
I had to return it, I am the server
