

# Tweety

Sauce Walka

Aye, aye  
Mm-hmm, yeah

She know I'm that nigga  
LV on, no Hilfiger  
I've been tapping her from behind  
Think her booty getting bigger  
She just paid me for my vocals  
And my name ain't Bryson Tiller  
Pick a check up in Odessa  
304 from Amarillo  
Seven days we with the business  
Train her body for the fitness  
Bitch shows up in a Corolla  
Then flagged off up in a Bentley  
Either way, I kept it pimping  
She stayed twelve months, I make a million  
Broke so much off Harry Hines  
I moved to Dallas, Michael Phillips  
Treat the Rolls Royce like a Cutlass  
Then pour up Wockhardt in the public  
Choosing fiends from ecstasy  
I think I'm finna do the dougie  
Not my fault these women love me  
And they treat you like you ugly  
Stole this watch up in the field  
She ran off with it playing rugby

Yellow bone bitch, super head, call her Tweety  
Cuban half a ticket, should've bought a Lamborghini  
John Cena splash, ain't nan nigga see me  
Hoes full market, ho, I'm selling that zucchini

I just met her last week  
Now I'm in her ass cheeks  
Pillow talkin' under sheets  
Man, you niggas is weak  
P.U. had her on your team  
Now I got her at her peak  
Rizzo, Rizzo, where you been?  
Collectin' money off my feet  
I learned my lesson in this shit  
I bet' not never leave that heat  
I like a bitch to suck the dick  
And always have me somethin' to eat  
I'm a real dripper, I get paid  
Big booty bitch, her hair stay slayed  
I don't wanna fuck, how much you made?  
She don't wanna dance, wanna hit that blade  
Killin' with this drip, and I told her "Come on, let's get it", uh  
Sat up with my bottom, now they run across the city, uh  
I could take a ratchet bitch and turn her to saditty (I can)

You don't know how it feel collectin' money off a kitty
