

Birkin (No Hook)

Saucy Santana

Niggas talking crazy, I don't think it's really worth it
Make him buy a Birkin even though you don't deserve it
Baby mama tripping, I done popped me a Percy
I don't want no Percy 10, baby rolling on the 30
Fucking all night, baby girl we on a roll
She done fell in love, now it's time to take it slow
Chanel on my shoes, drinking bottles of Azul
Life a gamble, roll the dice, we don't play by the rules

It's the uh for me, got you niggas really tripping
Y'all can have the credit, I'ma keep this shit pimping
I make the world follow me, I got you bitches spitting
I'm really running shit so when I talk you better listen
But I'ma keep it going
Popping shit, yeah I'ma keep it flowing
In the club, we gon' keep the ones throwing
It's the end of the night, baby girl where you going?
Put a cape on that bitch, make her a superman
I'ma spend that bitch, run up a superbag
I can't let him hit that shit you never had
Walk a bitch like a dog, make 'em super sad

Looking good while I'm riding in a Lear
Bubble jacket, check the tag, it's Moncler
Go woo on a bitch, Ric Flair, change the game, switch the lane
Bitches call it unfair
Walking through the crowd, I got the people going crazy
Shot the car up in Miami, thanking God the Lord saved me
Using niggas for they cash, daddy asking for a baby
Mama want kids too, can't let down my old lady

Play a ring of fire, shaking hands with the devil
God saying "follow me" but I wanna be a rebel
I'm just tryna chase my dreams, I don't wanna see a shovel
I am not a gay rapper, bitch I'm on another level
Different shows, different city, got these bitches twerkulating
I'm the littest in the city, baby girl don't keep me waiting
Should congratulate a nigga, but you niggas hating
I'm just waiting on my time, stacking paper while I'm waiting
Vibing with my migos, taking shots of Casamigos
Smoke a bitch like a blunt, stuff a bitch like a burrito
Rip her out her dress, make a hoe get dizzy
Nigga clutching on the stick, he ain't shy with the Glizzy
Dancing with the diamonds, baby drop and give me fifty
Play pussy get fucked, got him purring like a kitty
Acting like you gang, I don't think you really with me
I'm hot right now but when I blow you gon' be shitty

Make him buy a Birkin even though you don't—
Hoe you know you don't deserve that shit
Bitch you don't even got a Birkin pussy bitch
Well maybe the need to cut that motherfucking check
