

# It's A Vibe

Saucy Santana

It's a vibe, it's a vibe  
Stop playing, slide them panties to the side  
Tryna walk me down the aisle, I ain't your bride  
What's big, is it your pockets or your pride  
It's a vibe, it's a vibe  
Stop playing, slide them panties to the side  
Tryna walk me down the aisle, I ain't your bride  
What's big, is it your pockets or your pride

Woo, bitch come and get him  
Woo, I want them stacks out the denim  
Acrobats on the dick got me jumping out the gym  
And I think his name Jim but his pockets ain't slim  
Back it up and make it nasty

Talk is cheap and this pussy ain't free  
M-O-N-E, fuck nigga pay the fee  
Niggas always got excuses  
Swipe your card or spend your cash you gotta use it  
Pay for a bitch 'fore you lose her  
I'm a self-made bitch, I'm the chooser  
All that ass in them jeans  
I mean what I say and I say what I mean  
I'm the plug, I'm your only connect  
I ain't tricking if you got it nigga cut the check

It's a vibe, it's a vibe  
Stop playing, slide them panties to the side  
Tryna walk me down the aisle, I ain't your bride  
What's big, is it your pockets or your pride  
It's a vibe, it's a vibe  
Stop playing, slide them panties to the side  
Tryna walk me down the aisle, I ain't your bride  
What's big, is it your pockets or your pride

Dream, bitch get out your feelings and get in your bag  
You could dream all you want but you can't be tab  
They be making fake pages to be all mad  
I get paid to go out, you going out sad  
It's a vibe when I pop out, city gon' stop out  
In something low cut where my titties might drop out  
I put the ass on 'em, bet the dick gon' rock out  
And send the CashApp from his phone when he knock out

I do what I say and I say what I do  
You know rule number one never be number two  
Can't fly a bitch nowhere, she already flew  
And can't teach a bitch nothing that she already knew (dream)

It's a vibe, it's a vibe  
Stop playing, slide them panties to the side  
Tryna walk me down the aisle, I ain't your bride  
What's big, is it your pockets or your pride  
It's a vibe, it's a vibe  
Stop playing, slide them panties to the side  
Tryna walk me down the aisle, I ain't your bride  
What's big, is it your pockets or your pride
