

Temptation

Saucy Santana

Ay, turn me up a little bit Tre

Temptation (temptation)
I got all these niggas waiting
Ay, woo
Chasing, chasing
Only money that we chase
That's the Henny, no chaser
You basic
Please don't get your time wasted
Your shit is outdated
Temptation (temptation)
I got all these niggas waiting
Ay, woo

How much a nigga gon' win
How much a nigga gon' spend
On Twitter, I'ma trend
Slush a nigga, let it blend
Bitches wanna be friends
I don't like to play pretend
All about the dividends
Only here for the backend
I need a Lamb to floor it
Talking broke, I ignore it
Fucked your bitch, I scored it
Hit it twice, I could afford it
Like dreamdoll with the ah ah
I don't want your nigga, bye bye
You a joke bitch, ha ha
Big rocks on my crop top
Big rocks, they glaring
Bad white bitch, Karen
Big McLaren and I'm staring
Catch a drool, stop staring
Pradas and dollars
She a eater, she'll swallow
Where the tricks at? Where the bricks at?
Let me hear ya holler

Temptation (temptation)
I got all these niggas waiting
Ay, woo
Chasing, chasing
Only money that we chase
That's the Henny, no chaser
You basic
Please don't get your time wasted
Your shit is outdated
Temptation (temptation)
I got all these niggas waiting
Ay, woo

I'm sorry
I got bitches in the lobby
Molly running through my body
Too soon to catch a body

All the niggas spend is blue faces
Bitch you broke, you got a bootlegged
I don't really want the conversation
Get to begging, bitch I'ma say shit
I done walked in with a fur coat
Saucy looking like Cruella
On the stage with Coachella
Bitch I'm wet, get a umbrella
Whipping class, call me Cinderella
Woo
Whipping class, call me Cinderella

Diamonds on me, they tap dance
Big old booty need a lap dance
Biggie biggie, give me one more chance
French kissing on the way to France
Big racks, big tax
Big stripper, big facts
Tell a bitch get back
Kill the beat, Tre trax

Temptation (temptation)
I got all these niggas waiting
Ay, woo
Chasing, chasing
Only money that we chase
