

Alcohol

SAULT

Oh-oh, alcohol
Look what I've done
Oh-oh, alcohol
Look what I've done
Oh-oh, alcohol
This time, you won
Oh-oh, alcohol
Only supposed to be once

(Oh, oh)
(Oh, oh)
(Oh, oh)
(Oh, oh)

Oh-oh, alcohol (Alcohol)
Look what I've done (Alcohol)
Oh-oh, alcohol (Alcohol)
Look what I've done (Alcohol)
Battle of the pain when I take

One step forward, two steps back
One step forward, two steps back
One step forward, two steps back
One step forward, two steps back

Oh-oh, alcohol
Look what I've done
Oh-oh, alcohol
Look what I've done
Oh-oh, alcohol
This time, you won
Oh-oh, alcohol
Only supposed to be once (Alcohol)
Oh-oh, alcohol (Alcohol)
Look what I've done (Alcohol)
Oh-oh, alcohol (Alcohol)
Look what I've done (Alcohol)

Look what I've done
Look what I, look what I've done, done
Look what I've done
Alcohol
Look what I've done
Look what I
Oh, alcohol
It was only supposed to be one
One, one, one, one, one
Look what I, look what I
Look what I've done, no, no, no, no, no, no

I don't even know why you had to
Why you had to (One step forward)
Why you had to
Why you couldn't (Two steps back)
One step forward, two steps back
One step forward, two steps back
One step forward, two steps back

(Oh, alcohol)
