

## Black Is

SAULT

We all know black is beautiful  
You know, well now you do  
Black is excellent too  
In me, in you  
Black is shiny and new  
Black is older than earth  
All at the same damn time  
Black is sweet  
Black is ours  
Black is love  
Black is God  
God is us

Don't be afraid  
We can make a change and we can make it different  
The anger, it breaks my heart to see this and then we know we have to try  
Please let the right people do what they have to  
You be strong, educate yourself, powerful  
Learn when you grow up, be your own master  
You can be your own boss  
You can have your own company, you can have your own business  
You don't need to work for anyone but yourself
