

Don't Waste My Time

SAULT

Remember when you said
Hearts didn't bleed?
Them roses still stink
Remember when?

Remember when you said (Yeah, yeah, yeah, yeah, yeah, yeah)
I wasn't even good enough? (Yeah, yeah, yeah, yeah, yeah, yeah)
No hope for you, no hope for you
Was hoping you would change your mind
So unkind

Don't waste my time
Please don't waste my time
I ain't got time
Don't care what you say
Nothing in your brain feels like mine
Don't waste my time
Please don't waste my time
I ain't got time
Don't care what you say
Nothing in your brain feels like mine

Remember when you said (Yeah, yeah, yeah, yeah, yeah, yeah)
We are family? (Yeah, yeah, yeah, yeah, yeah, yeah)
You sold my body (Yeah, yeah, yeah, yeah, yeah, yeah)
Remember when? (Yeah, yeah, yeah, yeah, yeah, yeah)
Remember when you said
You tried to fight a man, boy
Ain't that something?
Remember when?

Don't waste my time
Please don't waste my time
I ain't got time
Don't care what you say
Nothing in your brain feels like mine
Don't waste my time
Please don't waste my time
I ain't got time
Don't care what you say
Nothing in your brain feels like mine

She don't wanna break your pride
She just wanna feel alive
She don't wanna break your pride
She just wanna feel alive
She don't wanna break your pride
She just wanna feel alive
She don't wanna break your pride
She just wanna feel alive

Don't waste my time
Please don't waste my time
I ain't got time
Don't care what you say
Nothing in your brain feels like mine
Don't waste my time

Please don't waste my time
I ain't got time
Don't care what you say
Nothing in your brain feels like mine

(Don't waste my time
Please don't waste my time (Yeah, yeah, yeah, yeah, yeah, yeah)
I ain't got time
Don't waste my time
Please don't waste my time (Yeah, yeah, yeah, yeah, yeah, yeah)
I ain't got time)
Remember when? (Yeah, yeah, yeah, yeah, yeah, yeah)
Remember when? (Yeah, yeah, yeah, yeah, yeah, yeah)
