

# Faith

SAULT

I just have faith  
In you  
I just have faith  
Know that you're by my side  
I just have faith  
It's true  
Your love, is heaven  
I just have faith  
In you  
I just have faith  
Know that you're by my side  
I just have faith  
It's true  
Your love, is heaven

Woman, cover me, under your love, cover me under your love  
Don't leave me out in the cold, oh no  
So glad I never had to row so low  
So glad I had you by my side  
And even if I want love I beg God provide, baby  
With you I happily share all my life now  
We never build up wi faith overnight  
So many troubles we face  
So amazing

How we made it through the night  
I know your loving is a miracle (Loving is)  
Yeah, I know you never question  
Of what time you gave me  
All your faith, and all your trust (All your trust)

I just have faith  
In you  
I just have faith  
Know that you're by my side  
I just have faith (Oh yeah, oh yeah)  
It's true  
Your love, is heaven

Love how yuh hang onto me, love how yuh hold onto me  
So firm and never let me go nowhere  
If a nuttn you a select then me soul don't play  
A good one possess such faith  
And even when me can't find wi way, just pray  
Ah Jah lead di way, an' he nuh make mistake  
Cah you got the style and di finesse plus grace  
Ah just love an' happiness, everyday

There's just one thing I can't deny  
Your loving is a miracle  
I never doubted  
Not one time, I gave you  
All my faith and all my trust

I just have faith  
In you  
I just have faith

Know that you're by my side  
I just have faith  
It's true  
Your love, is heaven  
I just have faith (In)  
In you  
I just have faith  
Know that you're by my side  
I just have faith  
It's true  
Your love, is heaven (Yeah)  
I just have faith (Hey-eh, hey-eh, hey-eh)  
In you  
I just have faith  
I know that you're by my side  
I just have faith  
It's true (Your love)  
Your love, is heaven (I)

I just have faith  
Know that you're by my side  
I just have faith  
It's true  
Your love, is heaven
