Imagine love

Imagine love

Filling you up from the waterfall
Building bridges, breaking down the walls
Imagine love, imagine peace
Children have no fear, walking down the street

Someone de haffa stand up and defend the children
Till the end, war fi cease
Papa cry for justice and mama ba for peace
Baby crying and de don't have not all to eat
Nuclear power dem 'ave it don't 'cheive
Still everyday the energy prices increase
Tell the Spanish and the Frenchmen and the Portuguese
Go warn the American and warn the Chinese

Go warn the Russian and to West Indies
When Africa unite, the world will know peace
More peace, more peace, more peace
Man de go jail because they grow trees
System say it illegal for dem sow seeds
Dem come and make big environmental speech
Volume pon it instrumental please
Me tell hypocrite for settle and peace
More peace, more peace, more peace
