

# Let Me Go

SAULT

So let me go, set me free  
Baby you'll wake up if I leave  
Your time is up, I bet that you're gonna love me, only when I'm gone

So let me go (let me go), set me free (set me free)  
Baby you'll wake up if I leave (if I leave)  
Your time is up, I bet that you're gonna love me, only when I'm gone (love me when I'm gone, love me when I'm gone)

I'm sitting here, I won't break down, no no no no tears  
It's time to say goodbye, to all those years  
Can't live a lie, I'll pull the knife, I pray, I pray  
And in the morning, I'll still feel the same

So let me go (let me go), set me free (set me free)  
Baby you'll wake up if I leave (if I leave)  
Your time is up, I bet that you're gonna love me, only when I'm gone (love me when I'm gone, love me when I'm gone)

So let me go (let me go), set me free (set me free)  
Baby you'll wake up if I leave (if I leave)  
Your time is up, oh, oh, oh (love me when I'm gone)

So let me go (set me free)  
Oh no, no (set me free)  
Your time is up (love me when I'm gone)

So let me go (let me go), set me free (set me free)  
Baby you'll wake up if I leave (if I leave)  
Your time is up, I bet that you're gonna love me, only when I'm gone (love me when I'm gone, love me when I'm gone)

So let me go (let me go), set me free (set me free)  
Baby you'll wake up if I leave (if I leave)  
Your time is up, I bet that you're gonna love me, only when I'm gone (love me when I'm gone, love me when I'm gone)

You better love me when I'm gone (love me when I'm gone, love me when I'm gone, love me when I'm gone, love me when I'm gone)
