

# Life We Rent But Love Is Rent

SAULT

He said if you look for me, you will find what you seek  
Don't wait 'til you feel in pain to fall down on your knees  
Doesn't matter, night and day, loud and proud, we will pray  
Faith May says to me "Life we rent, but love is free"  
You're never alone, no, the Spirit is your home  
We will find a way, affirmations every day  
No apologies, I'm tryna be the higher me  
Faith May says to me "Life we rent, but love is free"  
Faith May says to me "Life we rent, but love is free"  
Faith May says to me "Life we rent, but love is free"  
Faith May says to me "Life we rent, but love is free"  
Faith May says to me "Life we rent, but love is free"

He said don't run away, tomorrow's another day  
He'll be by your side, reminding you there's more to life  
He is never late, the more we want, the more we wait  
Faith May says to me "Life we rent, but love is free"

You're never alone, life we rent, but love is free  
Na-na-na na-na na-na  
He'll be by your side, reminding you there's more to life  
Faith May says to me "Life we rent, but love is free"  
Ah
