

Pray For Me

SAULT

You are my light
You are my world
Good things take time
That's things we have to earn

You are my strength
I'll give You my heart
Your lesson to the world
Is to never give up

Pray for me
I need a little more faith in me
Will you wait for me
If I don't change
The way that God is making me?
No, no, no
I still believe in us
Even though things have been changing

I choose to rise
I choose to grow
I'll follow in the path
Even when I feel alone
You're the one who made me
And I'm Your child
All these bridges need to burn
So I can walk in Your light

Pray for me
I need a little more faith in me
Will you wait for me
If I don't change
The way that God is making me?
No, no, no
I still believe in us
Even though things have been changing

Will you pray for me?
I need you, I need you, I need you
A little more faith in me
Will you wait for me
If I don't change
The way that God is making me?
I need you to understand
I still believe in us
Even though things have been changing
