

## Rafael's Prayer

SAULT

I pray before I go to bed  
I pray in the morning  
I pray before I have breakfast  
I pray before I go to school  
I pray before I go to sleep  
I pray when I'm sleeping  
An' I pray before I go to the bathroom  
I before I go eat  
I pray before I go eat my lunch, my dinner, everyting  
(Preach)

Every single time I pray  
I pray in the morning  
I pray before I go to bed  
I even pray when I'm sleeping  
I pray before I brush my teeth  
I pray before I go to the cinemas  
I pray before I go home  
I pray bef- I pray before I go to school  
I pray- I pray before I- before I put my pyjamas on  
I pray before I eat  
I pray before I have my breakfast  
That's a lot of praying  
(I ain't joking)  
(Okay)
