

# Safe Within Your Hands

SAULT

Oh, oh Lord  
Protect me from  
All that is not yours  
I need change  
As I'm waiting  
I'm safe within your hands  
Your hands  
Oh Lord

Oh Lord  
I lost my way  
Lead me to your hope  
Have my faith  
And my patience  
I'm safe within your hands  
Your hands  
Oh, oh

Your love is all  
I need for the day  
When you're not here  
It don't feel the same  
Your love is all  
I need for the day  
When you're not here  
It don't feel the same

I'm safe within your hands  
Your hands  
Oh, oh

Oh Lord  
I lost my way  
Lead me to your hope  
Have my faith  
And my patience  
I'm safe within your hands  
Your hands  
Oh, oh

Your love is all  
I need for the day  
When you're not here  
It don't feel the same  
Your love is all  
I need for the day  
When you're not here  
It don't feel the same

When you're not here  
It don't feel the same  
Your love is all  
I need for the day  
When you're not here  
It don't feel the same
