

# Signs

SAULT

Sunny skies  
We will bear the fruits of life  
And the gardens in your mind  
And we are aligned  
God is the seed  
But the man loves greed  
We are here to bless the lives  
Live in purpose of the light

So hard to see the signs  
(Don't get left behind)  
Don't get left behind

Autumn leaves (ahh)  
Will you ask for what you need (ask for what you need)  
Are you afraid, do you believe  
That these are the times (believe these are the times)  
Good is the seed  
In the land of greed (You know the man loves greed)  
All the powers in your mind (ahh)  
But you have to stay aligned

So hard to see the signs  
(Don't get left behind)  
Don't get left behind  
(Don't get left behind)  
(Ooh, ooh) ...  
(La la la la la)  
(Ooh, ooh) ...

So hard to see the signs  
(Don't get left behind)  
Don't get left behind  
(Don't get left behind)  
So hard to see the signs  
(Don't get left behind)  
Don't get left behind

You have the key  
Gotta set yourself free  
Live in purpose of the light  
But you gotta stay aligned  
The masterpiece  
And you are the story  
You are perfect, you are Light  
But you gotta stay aligned
