

Son Shine

SAULT

Let the son shine, shine on me
I think that God's crying when it rains
Let the son shine through my pain
Son, we will rise

You know that one day
Things have to change (Change)
The missing pieces, a long way

Your love's protecting me
Your love's protecting me
Your love's protecting me
Your love's protecting me
Your love's protecting me
You're always there when I need

Let the son shine, shine on me
Let the son, shine, shine on me
I think that God's crying when it rains

Let the son shine through my pain
So we will rise
