Strong

SAULT

Got to stay, even when they're (Wrong)
Got to stay, even when they're (Wrong)
Got to stay (Strong), even when they're (Wrong)
Got to stay, even when they

We're moving forward tonight
Gotta fight, gotta fight
We won't back down tonight
Gotta fight, gotta fight

(Wrong)

Got to stay, even when they're (Wrong)
Got to stay, even when they're (Wrong)
Got to stay (Strong), even when they're (Wrong)
Got to stay (Strong), even when they're (Wrong)

Got to stay, got-to-stay, I got to stay, got-to-stay, strong (Strong)
Got to stay, got-to-
stay, I got to stay, got to stay (Even when they're wrong)
Got to stay, got-to-
stay, I got to stay, got to stay, strong (Even when they're wrong)
Got to stay, got-to-
stay, I got to stay, got to stay, strong (Even when they're)

Worship the skin I'm in 'cause I love my color
Gotta fight, gotta fight
Nobody wants to admit that we are the chosen
Gotta fight, gotta fight

We're moving forward tonight
Gotta fight, gotta fight
We won't back down tonight
Gotta fight, gotta fight

Laughter heals all that's torn
I've got to say, I've got say, that laughter heals the pain away
Even though you're numb you're not on your own
I can wait, no I can wait, I've got to fight another day
See they thought they could hide your truth (They were wrong)

We're moving forward tonight
Gotta fight, gotta fight
We won't back down tonight
Gotta fight, gotta fight

We're moving forward tonight
Gotta fight, gotta fight

Don't look away, don't look away (Nah, nah, nah, nah, nah)
Don't look away, don't look away

We're moving forward tonight
Gotta fight, gotta fight
We won't back down tonight
Gotta fight, gotta fight

We're moving forward tonight
Gotta fight, gotta fight
We won't back down tonight
Gotta fight, gotta fight

We're moving forward tonight
Gotta fight, gotta fight
We won't back down tonight
Gotta fight, gotta fight

We're moving forward tonight
Gotta fight, gotta fight
We won't back down tonight
Gotta fight, gotta fight
