

The Lords With Me

SAULT

The Lord's with me...

The Lord's with me (Always with me Lord)...

The Lord's with me (Always with me Lord) (Always)
The Lord's with me (Always with me Lord) (With me)...

Always (Always with me Lord)
With me (Always with me Lord)
The Lord's with me (Always with me Lord) (Always)
The Lord's with me (Always with me Lord) (With me)

We ask oh Lord, Father, oh Lord
That you use us as vessels for your perfect will
In Jesus mighty name
Help us to build churches and communities in your name in every
place throughout the Earth
And help us oh Lord, Father, oh Lord
To do all that you have called us to do
That which you have predestined... and glorified us for
And we ask almighty God, Father
That baptism services shall take place daily in every Church th
roughout the world, oh Lord

Father the Lord, we ask, oh Lord
That all children, no matter where they are from, no matter whi
ch race or sex they are
Shall be taught in full, in full wisdom, knowledge and understa
nding
And receive a full education to a certified level, almighty God
Father, oh Lord, and we ask that they be brought up and trained
In the ways of our Lord and personal saviour Lord Jesus Christ

The Lord was with you
Protected
Forever blessed
