

The Plan

SAULT

(Yeah)

I was on a train, I was on a train
Running from the rain, running from the rain
I won't play your game, I won't play your game
How could I repay? How could I repay?

I was on a train, I was on a train
Running from the rain, running from the rain
I won't play your game, I won't play your game
How could I repay? How could I repay?

I don't
Need you
I won't
See you
It weren't
For your face
I don't
Need you
I don't
Want to
Hear you
Say my name

I ain't got a plan, I ain't got a plan
Written on my hand, written on my hand
There's no time for that, there's no time for that
You won't understand, you won't understand
La-la-la-la-la, la-la-la-la-la
You can't bring me down, you can't bring me down
Living in the now, living in the now
I am happy now, I am happy now

I can't
See you
You are
See through
Will you
Go away
It's been
Given
We are
Winning
We will
Take your place
