

## Think About It

SAULT

Work it out, think about it  
Work it out, think about it  
Work it out, think about it  
Work it out, think about it

If you don't know, act like you know  
Act like you know  
If you don't know, act like you know  
That's what my friend said, he told me (Act like you know)

Work it out, think about it  
Work it out, think about it

(Act like you know)  
At who?  
[?], at who?  
(Act like you know)  
You know that too

Work it out, think about it  
Work it out, think about it

Beat like this ain't my first rodeo (Act like you know)  
Beat like this ain't my first, first rodeo (Act like you know)  
Think about it  
(Act like you know)  
You bet on the [?], you bet  
(Act like you know)

Work it out  
Think about it  
Work it out  
Think about it  
Think about it  
Work it out, think about it  
Work it out, think about it  
Work it out, think about it

If you don't know, act like you know  
Act like you know  
If you don't know, act like you know  
That's what my friend said (Act like you know)  
  
(Act like you know)  
(Act like you know)  
Work it out, think about it
