

Together

SAULT

Dancing together
Dancing together
We are dancing together
The strength lies in us
We are dancing together
The strength is in us

Marching together
Marching together
We are marching together
The strength lies in us
We are marching together
The strength lies in us

Laughing together
Laughing together
We are laughing together
The strength lies in us
We are marching together
The strength lies in us

Crying together
Crying together
We are crying together
The strength is in us
We are crying together
The strength lies in us

Praying together
Praying together
We are praying together
The strength is in us
We are praying together
The strength is in us

Fighting together
Fighting together
We are fighting together
The strength is in us
We are fighting together
The strength is in us

Walking in sunshine
In his direction
We're never stressing
The strength lies in us
The strength lies in us
The strength lies in us

Lord, never let me down (Lord, never let me down)
Lord, never let me down (Lord, never let me down)
Lord, never let me down (Lord, never let me down)
Lord, never let me down (Lord, never let me down)
Lord, never let me down (Lord, never let me down)
Lord, never let me down (Lord, never let me down)
Lord, never let me down (Lord, never let me down)
Lord, never let me down (Lord, never let me down)
Lord, never let me down (Lord, never let me down)
Lord, never let me down (Lord, never let me down)
Lord, never let me down (Lord, never let me down)
Lord, never let me down (Lord, never let me down)
