

Trap Life

SAULT

Trap life
Yeah, we trap on these blocks
And we don't trust these cops
Tell me who's taking shots, shots, shots
I wanna be free
Free my fam' and my mind
'Cause we're locked up inside
Please don't reach for that knife, knife, knife
Trap life
Yeah, we trap on these blocks
Now we don't trust these cops
Tell me who's taking shots, shots, shots
I wanna be free
Free my fam' and my mind
'Cause we're locked up inside
Please don't reach for that knife, knife, knife, knife, knife

La-la-la-la-la-la
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-ha
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la

Trap life
Yeah, we trap on these blocks
And we don't trust these cops
Tell me who's taking shots, shots, shots
I wanna be free
Free my fam' and my mind
'Cause we're locked up inside
Please don't reach for that nine, nine, nine

Hello, hello, I'm a ghetto star
We're all out here
I'm waiting with no fear
You don't want them to listen
Hello, hello, I'm a ghetto star
What, they never tell ya?
I see it, they never wonder
We're hot like—
Hot
