

Waterfalls

SAULT

I touch, not too [?], to take no [?] in my hand
I won't [?]
We erase, we long for, I can't...
So for [?] phase

Waterfalls, waterfalls, under me
Waterfalls, waterfalls
I can't sleep, and I'm trying to be someone else
There's got to be, got to be, another way I wanna appear
Just to me, just to me
[?] running, running, running
I don't mind living on these

Waterfalls, waterfalls, under me
Waterfalls, waterfalls
Waterfalls, waterfalls, under me
Waterfalls, waterfalls

Wait, things are not the same
Don't play, yet I'm seven, seven, seven, seven, seven, seven
Seven, oooh, seven, oooh, seven
