Brighter Days

Sauti Sol

Cos I'm certain brighter days are yet to come
Ain't no question that tomorrow there'll be good times (good times)
I believe with every beat of my heart

Cos I'm certain brighter days are yet to come
Ain't no question that tomorrow there'll be good times (good times)
I believe with every beat of my heart

I'm on a one way train
Tenda mema nenda zangu do my best
Saa zingine huwaga ni noma (huwaga ni noma)
Imani yangu inanichoma but I know there'll be a better day, yeah
I'm living on the edge, sijui nitashukia kwa gani stage
Life inanisunda kwa corner (sunda kwa corner)
Emotionally niko kwa border, I pray, I pray for better days

Cos I'm certain brighter days are yet to come
Ain't no question that tomorrow there'll be good times (good times)
I believe with every beat of my heart

Siku zikizidi
Nazidi makinika zaidi
I'm holding on a little bit longer (a little bit longer)
What doesn't kill you makes you stronger
I see I see a better day (ngiyabona)
Visions of love, from up above, the sun is not too far away
Nawasha taa, naona far, I know I will be ok
Reach for the stars with everything in my heart
I know I know I know I know

Cos I'm certain brighter days are yet to come
Ain't no question that tomorrow there'll be good times (good times)
I believe with every beat of my heart, yeah

There's gonna be days like this (kulezi zinsuku)
We need to be stronger (qina)
Misukosuko na mahangaiko
Ni hali ya dunia mungu yupo
And on days like this (days like this)
We need to rise up (rise up)
Wakijaribu kutuzika tutagerminate
Our lives will never be the same

(Ngiyakholwa, ngiyakholwa) yebo ngiyakholwa
(Ngiyakholwa, ngiyakholwa)
I believe with every beat of my heart
I believe with every beat of my heart
